

The Center for Student Leadership and Engagement (CSLE) creates a uniquely Clemson experience that prepares every Clemson student to be a leader in their profession and community. Our mission is to help students **BEGIN** their Clemson experience successfully, **BELONG** and connect to campus, and **BECOME** a Clemson leader.

STUDENT IMPACT

PROGRAM ENGAGEMENT:

BEGIN:

“Through CSLE I began my leadership journey by becoming connected with organizations like **CONNECTIONS** and **Sister2Sister**. These experiences have helped shape me into who I am today.”

BELONG:

“I had already been involved in CSLE events, but working at the center provided me even more opportunities to get involved outside of work. The graduate assistant I worked under taught me so much about marketing and fostered collaboration among the other marketing assistants. As a political science major, I did not have classroom experience in Marketing, and she made every assignment a learning opportunity for me. Working here was so amazing that I am returning for a second year!”

— *Sophia Wilson, CSLE Marketing Assistant, Student Funding Board Chair and Student Body Treasurer*

BECOME:

“The Center for Student Leadership and Engagement helped me build my leadership skills and helped me become the Clemson leader I am today. I use the skills I learned in the Certified Student Leader course to build confidence, communication and many other skills. I still use all of the things I learned in my job working as an Orientation Ambassador (OA)! As an OA, I help students begin their journey into Clemson where they learn about Clemson resources and the community. I thank CSLE for all of the amazing resources and friendships it has given me and I cannot wait to keep applying my leadership skills throughout my career!”

— *Lanie Deyo, Certified Student Leader Participant and 2023 Orientation Ambassador*
