

Why wait hours for urgent care?

See a doctor on your phone anytime. Blue CareOnDemand makes it simple to get on-demand access to the care you need — from home.

Sign up today so you can visit with a doctor in minutes when you feel sick.

Online care is ideal when:

- Your doctor's office is closed.
- Your regular provider isn't available.
- You have a common health concern such as allergies, pinkeye, rash, urinary tract infection, bronchitis, upper respiratory infection, migraine, sinus problems, and more.
- You have children at home and can't bring them with you.
- You are traveling or feel too sick to drive.
- You need quick medical advice in the middle of the night.
